PROPERTY DESCRIPTION

From the moment you pass through the exclusive gates of Tuscany Hills, you will feel the old world elegance and charm of this prestigious community. Engulfed by mountain views, you can enjoy solace and tranquility from the courtyard as you sip your morning coffee and bask in the warm glow of the sun as it gently awakens the enchanting desertcape. Nearly ½ an acre in size and surrounded by natural open space, this lot includes a heated pool and spa so private that bath suites are optional. Exquisite travertine flooring compliments and highlights the richness of the Canterra stone pillars and throughout the home, arches and angles lead you from one room to the next, like a great master piece. The kitchen is fit for a king and his queen with stunning granite counter tops, custom cabinetry and Viking appliances package. Enveloped by distinguished craftsmanship, this one-of-a-kind estate boasts 3,200 square featuring 4 bedrooms each with a private bath, living room, formal dining area and a generous family room off the kitchen.
